Extracurricular Activity Participation Application and Permission Form for 2021-2022 (Charter/Home School Students)

Defined Extracurricular Activities are activities that do not fall within the scope of the regular curriculum and carry no academic credit, but are associated with the curriculum and sponsored by the district. For further information about extracurricular activities options for charter and home school students within Berkeley County School District (BCSD), please visit our website at www.bcsdschools.net under the Students and Parents Tab.
